

GANS Community Project Grant: Organizational Agreement

Principal Applicant:

Organization Administering Funds:

Organization Contact Information (address, phone, email):

The above Organization hereby approves the Application of the Principal Applicant and certifies and undertakes to the Gambling Awareness Nova Scotia (GANS) and Research Nova Scotia (RNS) that:

- the Principal Applicant and Organization meet or will meet the eligibility requirements at the time of the announced funding start date of the competition;
- the Organization agrees with the content of the application and will provide the committed resources;
- the Organization will ensure that any project conducted with the grant funds complies fully with organizational policies and guidelines and agrees to administer any grant/award resulting from an application, according to the grant terms and conditions and financial obligations of using the grant funds;
- the Organization will investigate, by appropriate procedures, any allegations of conduct inconsistent with the funding opportunity requirements and the grant terms and conditions in connection with the use of the grant funds;
- the Organization will report to RNS the results of any investigation when an applicant or recipient of GANS funds has infringed the funding opportunity requirements or grant terms and conditions;
- the Organization will provide grant/award holders with the necessary time to conduct their project;
- the Organization agrees to the public release of a summary of the grant or award and to publication of the organization's name as a supporter of the initiative;
- the Organization will take every reasonable action to acknowledge GANS funding in its communications related to funded applications;
- the Organization has adequate safeguards in place to protect sensitive information entrusted to it by the funder; and
- subject to its intellectual property policy, the Organization will endeavor to obtain the greatest possible economic benefit to Nova Scotia, with a similar aim to improve the health of Nova Scotians, from any commercial activity resulting from the funding.
